Welcome to a Higher Standard of Care

PAM Rehabilitation Hospital of Centennial Hills is a new, state-of-the-art facility opening in 2017. Our 44-bed freestanding rehabilitation hospital will utilize the latest techniques and state-of-the-art equipment. Our medical staff will be supported by a team of therapists, nurses, and support associates who together strive to deliver optimal outcomes and patient experiences.

Our Philosophy

PAM Rehabilitation Hospital is a place of healing, where comfort, confidence and attentive care to patients and family members is every bit as important as medical excellence.
